Sister Mother Husband Dog (Etc.) Delia Ephron, 2013-09-26 Delia Ephron brings her trademark wit and effervescent prose to a series of unforgettable, moving and provocative essays. The emotional lynchpin is the author's stirring, eloquent response to the death of Nora Ephron, her older sister and frequent writing companion. In 'Sister', she deftly captures the love, rivalry, respect and intimacy that made up her relationship with her sister in a way that is at once deeply personal and comfortingly universal. Other essays in the collection run the gamut from a hysterical piece about love and the movies - how romantic comedies completely destroyed her twenties - to the joy of girlfriends and best friendship, the magical madness and miracle of dogs, keen-eyed observations about urban survival, and a serious and affecting memoir of life with her mother - growing up the child of alcoholics. Ephron's sparkling wit and humanity is present on every emotionally resonant page.

She's the Worst Lauren Spieller, 2019-09-03 "Pitch-perfect...a surefire hit." —The Children's Book Review "A sparkling homage to LA and a love letter to the difficult, mercurial, rewarding relationship between sisters." —Booklist Ferris Bueller's Day Off meets 10 Things I Hate About You in this fun, contemporary novel about two sisters who have twenty-four hours to fulfill a pact and overcome the secret that threatens to tear them apart. Sisters April and Jenn haven't been close in years. Jenn's too busy with school, the family antique shop, and her boyfriend, and April would rather play soccer and hang out with the boy next door. But when April notices her older sister is sad about staying home for college, she decides to do something about it. The girls set off to revive a pact they made as kids: spend an epic day exploring the greatest hits of their childhood and all that Los Angeles has to offer. Then April learns that Jenn has been keeping a secret that could rip their family—and their parents—apart. With only one day to set things right, the sisters must decide if their relationship is worth saving, or if the truth will tear them apart for good.

Riding the Bus with My Sister Rachel Simon, 2013-03-05 A "heartwarming, life-affirming" memoir of a relationship with an intellectually disabled sibling: "Read this book. It might just change your life" (Boston Herald). Beth is a spirited woman with an intellectual disability who lives intensely and often joyfully, and spends most of her days riding the buses in Pennsylvania. The drivers, a lively group, are her mentors; her fellow passengers, her community—though some display less patience or kindness than others. Her sister, Rachel, a teacher and writer, camouflages her emotional isolation by leading a hyperbusy life. But one day, Beth asks Rachel to accompany her on public transportation for an entire year—and Rachel accepts. This wise, funny, deeply affecting book is the chronicle of that remarkable time, as Rachel learns how to live in the moment, how to pay attention to what really matters, how to change, how to love—and how to slow down and enjoy the ride. Weaving in anecdotes and memories of terrifying maternal abandonment, fierce sisterly loyalty, and astonishing forgiveness, Rachel Simon brings to light a world that is almost invisible to many people, finds unlikely heroes in everyday life, and, without sentimentality, wrestles with her own limitations and portrays Beth as the endearing, feisty, independent person she is. "With tenderness and fury, heartbreak and acceptance . . . Simon comes to the inescapable conclusion that we are all riders on the bus, and on the bus we are all the same." —Jacquelyn Mitchard, author of *The Deep End of the Ocean*
