

# A Kings Ship Empire Rising Book

## Richard Huscroft

**The Void War** D. j. Holmes,2016-12-20 It's the year 2465, two hundred years since the stars were opened to humanity by the invention of the shift drive. So began the First Interstellar Expansion Era, catapulting humanity into a deadly race for the limited resources of navigable space. Now tensions between the human nations are threatening to boil over into open hostility. Into this maelstrom steps the exiled Commander James Somerville of the Royal Space Navy. Banished from London to the survey ship HMS Drake he is about to make a discovery that may change his fortunes and throw Britain into a deadly war with its closest rival. The Void War is a military science fiction novel and first book by new author D. J. Holmes

**A King's Ship** D. j. Holmes,2016-12-20 The war with China is over. But for Captain James Somerville there is a task still unfinished. Former Politburo Intelligence Minister Chang has evaded capture and escaped from Chinese space. Declared a war criminal by the UN and British law courts, James is given the Royal Space Navy's newest exploration cruiser and sent after Chang. His chase will threaten to stir up old rivalries and take him to the edge of explored space. What he will discover there will radically reshape humanity's position in the galaxy and throw him into a series of desperate battles. Alone and outnumbered he will come to realize what it really takes to command a King's Ship. A King's Ship is the second book in the Empire Rising military science fiction series that follows the career of Captain James Somerville as he takes command of HMS Endeavour.

**Empire of Silver (Conqueror, Book 4)** Conn Iggulden,2010-09-02 The 4th novel in the bestselling Conqueror series, continuing the life and adventures of the mighty Khan dynasty.

[Empire of the Deep](#) Ben Wilson,2013-07-25 The bestselling complete history of the British Navy - our national story through a different prism. The story of our navy is nothing less than the story of Britain, our culture and our empire. Much more than a parade of admirals and their battles, this is the story of how an insignificant island nation conquered the world's oceans to become its greatest trading empire. Yet, as Ben Wilson shows, there was nothing inevitable about this rise to maritime domination, nor was it ever an easy path. EMPIRE OF THE DEEP: THE RISE AND FALL OF THE BRITISH NAVY also reveals how our naval history has shaped us in more subtle and surprising ways - our language, culture, politics and national character all owe a great debt to this conquest of the seas. This is a gripping, fresh take on our national story.

**Warrior Kings of Sweden** Gary Dean Peterson,2014-08-21 For a hundred years, Sweden was the international military

power of Northern Europe, in control of the entire Baltic region and among the first to colonize in Africa and America. But the history of Sweden, Finland, the Baltic States, Poland, and Prussia is largely neglected in American classrooms and scholarship. This book fills a large void in European history as it is generally presented to the American student and reader. This narrative covers Sweden's Age of Greatness (1632-1718) and the warrior-kings who governed that age. It chronologically describes the political and religious events of the sixteenth and seventeenth centuries and reveals how these events produced the climate for European global expansion, including the exploration and colonization of the New World. The story traces history through the reigns of Sweden's ambitious rulers, beginning with the presumably Swedish Goths who ravaged the Roman Empire in the 2nd century CE and continuing through the end of the empire in the early eighteenth century. A thorough epilogue documents the cultural flowering in the arts and sciences that commenced in the Age of Greatness and continued to blossom in the centuries that followed. This final section of the book pays special attention to the personalities that drove Sweden's far-reaching cultural progress.

Three Kings Lloyd C. Gardner, 2011-04 Three Kings reveals a story of America's scramble for political influence, oil concessions, and a new military presence based on airpower and generous American aid to shaky regimes in Saudi Arabia, Iran, Egypt, and Iraq. Marshaling new and revelatory evidence from the archives, Lloyd Gardner deftly weaves together three decades of U.S. moves in the region to offer the first history of America's efforts to supplant the British empire in the Middle East. From the early efforts to support and influence the Saudi regime (including the creation of Dhahran Airbase, the target of Osama bin Laden's first terrorist attack in 1996) and the CIA-engineered coup in Iran to Nasser's Egypt and, finally, the rise of Iraq as a major petroleum power, Three Kings is "a valuable contribution to our understanding of our still-deepening involvement in this region" (Booklist). As American policy makers and military planners grapple with the U.S. withdrawal from Iraq, Gardner uncovers the largely hidden story of how the United States got into the Middle East in the first place.

**Rise Of Empire** Michael J Sullivan, 2011-12-01 FORTUNE FAVOURS THE THIEF The birth of the Nyphron Empire has brought war to Melengar. To save her kingdom, Princess Arista runs a desperate gamble when she defies her brother and hires Royce and Hadrian to perform a dangerous mission behind the enemy's lines. As the power of the Nyphron Empire grows, so does Royce's suspicion that the wizard Esrahaddon is using the thieves as pawns in his own shadowy struggle for power. To find the truth, he must unravel the secret of Hadrian's past. What he discovers leads the thieves to the ends of the world on a journey amid treachery and betrayals, forcing Hadrian to face a past he hoped never to see again. 'This epic fantasy showcases the arrival of a master storyteller' Library Journal on Theft of Swords THE RIYRIA REVELATIONS THEFT OF SWORDS RISE OF EMPIRE HEIR OF NOVRON The Riyria Chronicles THE CROWN TOWER THE ROSE AND THE THORN

Tales From the Long Twelfth Century Richard Huscroft, 2016-04-26 This intriguing book tells the story of England's great

medieval Angevin dynasty in an entirely new way. Departing from the usual king-centric narrative, Richard Huscroft instead centers each of his chapters on the experiences of a particular man or woman who contributed to the broad sweep of events. Whether noble and brave or flawed and fallible, each participant was struggling to survive in the face of uncontrollable forces. Princes, princesses, priests, heroes, relatives, friends, and others—some well known and others obscure—all were embroiled in the drama of historic events. Under Henry II and his sons Richard I (the Lionheart) and John, the empire rose to encompass much of the British Isles and the greater part of modern France, yet it survived a mere fifty years. Huscroft deftly weaves together the stories of individual lives to illuminate the key themes of this exciting and formative era.

**Understanding History Book 1 (Roman Empire, Rise of Islam, Medieval Realms)** Jane Shuter, John Child, David Taylor, 1991 The first of a three-part series which aims to provide a complete history course for the whole of Key Stage 3 of the National Curriculum. A teacher's set, including photocopiable worksheets, accompanies each pupil book.

**Daughter of the Empire** Raymond E. Feist, Janny Wurts, 2012-09-13 Book one in the magnificent Empire Trilogy by bestselling authors Raymond E. Feist and Janny Wurts, now available in ebook format.

**Empire of the Black Sea** Duane W. Roller, 2020 What is commonly called the kingdom of Pontus flourished for over two hundred years in the coastal regions of the Black Sea. At its peak in the early first century BC, it included much of the southern, eastern, and northern littoral, becoming one of the most important Hellenistic dynasties not founded by a successor of Alexander the Great. It also posed one of the greatest challenges to Roman imperial expansion in the east. Not until 63 BC, after many violent clashes, was Rome able to subjugate the kingdom and its last charismatic ruler Mithridates VI. This book provides a general history of this important kingdom from its mythic origins in Greek literature (e.g., Jason and the Golden Fleece) to its entanglements with the late republic of Rome. Roller discusses its rulers as well as the Romans and others who interacted with them and opposed them. He addresses social and cultural issues, including the attitude of the traditional Greek states and other eastern kingdoms, economic issues such as depopulation and land exhaustion, and—especially in the latter years of the dynasty—the changing and indeed endless internal problems in Rome itself that would come to drive or even overpower events in the field. Previous histories of this era are varied in their focus and quality. Needless to say, much of the interest has been directed to the final and most famous member of the dynasty, Mithridates VI (120-63 BC); this book explores the entire kingdom and its rich history. Empire of the Black Sea is an engaging and accessible history of a forgotten reign.

**Empire of the Sun** J. G. Ballard, 2013-03-19 The classic, award-winning novel, made famous by Steven Spielberg's film, tells of a young boy's struggle to survive World War II in China. Jim is separated from his parents in a world at war. To survive, he must find a strength greater than all the events that surround him. Shanghai, 1941 -- a city aflame from the fateful torch of Pearl Harbor. In streets full of chaos and corpses, a young British boy searches in vain for his parents.

Imprisoned in a Japanese concentration camp, he is witness to the fierce white flash of Nagasaki, as the bomb bellows the end of the war...and the dawn of a blighted world. Ballard's enduring novel of war and deprivation, internment camps and death marches, and starvation and survival is an honest coming-of-age tale set in a world thrown utterly out of joint.

*Empire in Black and Gold* Adrian Tchaikovsky,2008-07-25 *Empire in Black and Gold* is the first instalment in the critically-acclaimed epic fantasy series *Shadows of the Apt* by Adrian Tchaikovsky. The days of peace are over . . . The Lowlands' city states have lived in peace for decades, hailed as bastions of civilization. Yet that peace is about to end. A distant empire has been conquering neighbours with highly trained soldiers and sophisticated combat techniques. And the city states are its desirable new prize. Only the ageing Stenwold Maker - spymaster, artificer and statesman - foresees the threat, as the empires' armies march ever closer. So it falls upon his shoulders to open the eyes of the cities' leaders. He sees that war will sweep through their lands, destroying everything in its path. But to warn his people, he must stay alive. *Empire in Black and Gold* is followed by the second book in the *Shadows of the Apt* series, *Dragonfly Falling*.

**The Gates of Rome** Conn Iggulden,2003 This novel interweaves history and adventure to recreate the life of Julius Caesar. In the city of Rome, a titanic power struggle is about to shake the Republic to its core. Citizen will fight citizen in a bloody conflict and Julius Caesar will be in the thick of the action.

**Day of Empire** Amy Chua,2009-01-06 In this sweeping history, bestselling author Amy Chua explains how globally dominant empires—or hyperpowers—rise and why they fall. In a series of brilliant chapter-length studies, she examines the most powerful cultures in history—from the ancient empires of Persia and China to the recent global empires of England and the United States—and reveals the reasons behind their success, as well as the roots of their ultimate demise. Chua's analysis uncovers a fascinating historical pattern: while policies of tolerance and assimilation toward conquered peoples are essential for an empire to succeed, the multicultural society that results introduces new tensions and instabilities, threatening to pull the empire apart from within. What this means for the United States' uncertain future is the subject of Chua's provocative and surprising conclusion.

*Twilight of Empire* Greg King,Penny Wilson,2017-11-14 On a snowy January morning in 1889, a worried servant hacked open a locked door at the remote hunting lodge deep in the Vienna Woods. Inside, he found two bodies sprawled on an ornate bed, blood oozing from their mouths. Crown Prince Rudolf of Austria-Hungary appeared to have shot his seventeen-year-old mistress Baroness Mary Vetsera as she slept, sat with the corpse for hours and, when dawn broke, turned the pistol on himself. A century has transformed this bloody scene into romantic tragedy: star-crossed lovers who preferred death together than to be parted by a cold, unfeeling Viennese Court. But *Mayerling* is also the story of family secrets: incestuous relationships and mental instability; blackmail, venereal disease, and political treason; and a disillusioned, morphine-addicted Crown Prince and a naïve schoolgirl caught up in a dangerous and deadly waltz inside a decaying empire. What happened in

that locked room remains one of history's most evocative mysteries: What led Rudolf and mistress to this desperate act? Was it really a suicide pact? Or did something far more disturbing take place at that remote hunting lodge and result in murder? Drawing interviews with members of the Habsburg family and archival sources in Vienna, Greg King and Penny Wilson reconstruct this historical mystery, laying out evidence and information long ignored that conclusively refutes the romantic myth and the conspiracy stories.

The Complete Broken Empire Trilogy: Prince of Thorns, King of Thorns, Emperor of Thorns Mark Lawrence, 2014-11-06  
The complete, critically-acclaimed debut fantasy trilogy: The Broken Empire by Mark Lawrence. This bundle includes PRINCE OF THORNS, KING OF THORNS and EMPEROR OF THORNS.

**Mistborn** Brandon Sanderson, 2014-07-04 The Skaa, having slaved in misery for a thousand years under the corrupt, absolute power of the Lord Ruler, still manage to find hope, which rises once again when a criminal mastermind teams up with an unlikely heroine.

**The Justice of Kings** Richard Swan, 2022-02-22 'A stunning piece of modern fantasy writing' RJ Barker 'Utterly compelling, thoroughly engrossing and written with such skilful assurance I could barely put it down' Nicholas Eames NO MAN IS ABOVE THE LAW The Empire of the Wolf simmers with unrest. Rebels, heretics and powerful patricians all challenge the power of the imperial throne. Only the Order of Justices stands in the way of chaos. Sir Konrad Vonvalt is the most feared Justice of all, upholding the law by way of his sharp mind, arcane powers and skill as a swordsman. At his side stands Helena Sedanka, his clerk and protégé, orphaned by the wars that forged the empire. When the pair investigate the murder of a provincial aristocrat, they unearth a conspiracy that stretches to the very top of imperial society. As the stakes rise and become ever more personal, Vonvalt and Helena must make a choice: will they abandon the laws they've sworn to uphold in order to protect the empire? Introducing an unforgettable protagonist destined to become a fantasy icon, The Justice of Kings is an unmissable debut where action, intrigue and magic collide. Praise for The Justice of Kings 'A fantastic debut' Peter McLean 'The Justice of Kings is equal parts heroic fantasy and murder mystery . . . Richard Swan's sophisticated take on the fantasy genre will leave readers hungry for more' Sebastien de Castell 'A fascinating look at justice, vengeance and the law - great characters, compelling and wonderfully written. A brilliant debut and fantastic start to the series' James Islington 'Totally addictive. A truly riveting tale about law, war, morality and justice' Novel Notions 'A marvellously detailed world with an engrossing adventure from a unique perspective' K. S. Viloso 'Swan has built a dark and gritty world, filled it with beautifully written characters and lays out a master-crafted story to create an incredible book that you can't put down' FanFiAddict 'A brilliant book, with intrigue, excellent character arcs, a brutal magic system and a story I just could not put down' Grimdark Magazine 'Riveting . . . Swan crafts a strong, dynamic character in Vonvalt, and the twists will keep readers turning the pages' Publishers Weekly

**The Excalibur Alternative** David Weber,2002 This novel is based on a much shorter version published in David Drake's Foreign Legions.

## Whispering the Strategies of Language: An Mental Quest through **A Kings Ship Empire Rising Book**

In a digitally-driven earth where monitors reign great and instant transmission drowns out the subtleties of language, the profound strategies and emotional subtleties hidden within words frequently move unheard. ## A Kings Ship Empire Rising Book Introduction

In the digital age, access to information has become easier than ever before. The ability to download A Kings Ship Empire Rising Book has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download A Kings Ship Empire Rising Book has opened up a world of possibilities. Downloading A Kings Ship Empire Rising Book provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading A Kings Ship Empire Rising Book has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download A Kings Ship Empire Rising Book . These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many

authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading A Kings Ship Empire Rising Book . Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading A Kings Ship Empire Rising Book , users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download A Kings Ship Empire Rising Book has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

## FAQs About A Kings Ship Empire Rising Book Books

1. Where can I buy A Kings Ship Empire Rising Book books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
