**Red-Light Nights, Bangkok Daze** William Sparrow,2008-09-01 Sexy, entertaining, and thoroughly informative, this collection of reports offers a glimpse into what is enticing, insightful, and unknown about sex in Asia. It looks at the sex scenes and unseens in the 'usual suspects' of Thailand, the Philippines, Hong Kong, and Japan as well as in less obvious countries such as Pakistan, China, Myanmar, Cambodia, and Vietnam. Covering the gamut of love, lust, passion, and pleasure across Asia, these articles offer unique insights into the sometimes shadowy world of the carnal pleasures on offer and the hypocrisies surrounding them. Gathered from the views of unrepentant 'sexpats', wayward tourists, and the locals themselves, in Red-light Nights, Bangkok Daze, you'll find revelations about the varied experiences this huge cast of characters participates in. Succumb to the lights, and weather the daze; you'll find yourself exhilarated and waking to a newfound awareness of the complex, interesting and yet confusing world of sex in Asia.

**Bangkok Days** Lawrence Osborne,2009-11-24 Tourists come to Bangkok for many reasons: a night of love, a stay in a luxury hotel, or simply to disappear for a while. Lawrence Osborne comes for the cheap dentistry, and then stays when he finds he can live off just a few dollars a day. Osborne's Bangkok is a vibrant, instinctual city full of contradictions. He wanders the streets, dining on insects, trawling through forgotten neighbourhoods, decayed temples and sleazy bars. Far more than a travel book, Bangkok Days explores both the little-known, extraordinary city and the lives of a handful of doomed ex-patriates living there, 'as vivid a set of liars and losers as was ever invented by Graham Greene' (New York Times).

**Where Chingchoks Chirp My Childhood Days in Bangkok** Kim Pao Yu,2023-01-10 Bangkok in the 1950s and early 1960s was a relatively small city consisting of exotic temples and palaces built in bygone days surrounded by rows of commercial and residential shophouses. Author Kim Pao Yu, a child born into a traditional Northern Chinese family, writes about his parents, their origins in Shandong, and how they escaped the war and communism in China to settle in Bangkok. In *Where Chingchoks Chirp*, a collection of essays, he shares his parents' beliefs and values, their hopes and joys, and their struggles to ensure a better life for their children. Raised in a shophouse where his parents owned an antique and furniture store, situated in a compound inhabited by immigrant Chinese from Swatow, Kim describes everyday activities—the myriad vendors who sold their goods and services, the neighborhood children and the games they played, and how they celebrated holidays and festivals. The selections also cover the food and recipes his mother left as a legacy; his memories of people and

experiences encountered while growing up; and his adventures at an American school as a local Chinese boy attending with the children of American expatriate and military families that shaped his thinking as he left Bangkok for higher learning in the United States. Where Chingchoks Chirp shares the sights, sounds, and smells of the bygone days of Bangkok, now a modern, bustling city that still retains much of its past.

Crass Struggle R. T. Naylor, 2013 An original and cutting commentary on the bad side of the good life.

Poor and uneducated, Bua Boonmee escaped an abusive marriage only to end up in the go-go bars of Patpong. There, in the notorious red-light district of Bangkok, she succumbed to prostitution in an effort to support her family. Bua's story is one of resilience and courage in the face of abuse and poverty. Her confessions will make you laugh and cry, cringe and applaud. She will change your perception of prostitution forever.

**It Should Never Have Happened to Me** Darren McDonough, 2012-09-25 There is a side to Thailand that very few people have seen and experienced. Darren McDonough is one of those people. In his new book, "It Should Never Have Happened to Me", he recounts his experiences during a revealing sojourn in Thailand and takes readers alongside his odyssey through and out of the country's seamy underbelly of sex, crime and drugs. Timely, redemptive and brutally honest, "It Should Never Have Happened to Me" is both a startling exposé of the dark side of Thailand and a chronicle of one man's quest to overcome the trauma he experienced there.

**Underwear Or Socks? an Overland Odyssey** Alan Lush, 2012-03-01 In a series of blog-like sound-bites, *Underwear or Socks? An Overland Odyssey* tells the story of a journey that starts in Turkey and covers more than 40,000 kilometres to end in Australia. Travel with the author as he scales the slopes of the highest mountain in the world; endures 50-degree heat and 90-percent humidity; stands face to face with a wild tiger; descends into an underground city; flies across a barren landscape in a hot-air balloon; skis the slopes of a volcano; battles stinging insects, spiders, snakes and rats; camps out in desert storms; fords flooding rivers; and swims with crocodiles. Viewed through the wide and often incredulous eyes of an armchair traveler finally doing it for real, it turns out that the world really is a weird, wonderful and often very amusing place.

**Two Years in the Kingdom** Blaine L. Comeaux, 2002 *Two Years in the Kingdom* is a lighthearted yet informative look at life in Thailand, from the perspective of an American Peace Corps Volunteer. Part personal narrative and part essay, the book is a chronicle of the author's two years in Pakham, a rural village in the littlest-known part of the Thai Kingdom—the hot, Lao-speaking northeast known colloquially as Isaan. Written with the visiting foreigner in mind, *Two Years* provides a candidly honest and instructive look into rural Thai lifeways, foods, languages, and customs.

*The Rotarian*, 1977-12 Established in 1911, *The Rotarian* is the official magazine of Rotary International and is circulated worldwide. Each issue contains feature articles, columns, and departments about, or of interest to, Rotarians. Seventeen Nobel Prize winners and 19 Pulitzer Prize winners – from Mahatma Gandhi to Kurt Vonnegut Jr. – have written for the magazine.

*To Asia with Love* Kim Fay, 2004 Imagine that on the eve of your upcoming trip to Cambodia, Laos, Thailand, and Vietnam, you are invited to a party. At this party are fifty guests, all of whom live in or have traveled extensively through these countries. Among this eclectic and well-versed group of connoisseurs are authors of acclaimed guidebooks, popular newspaper columnists and pioneering adventurers. As the evening passes, they tell you tales from their lives in these exotic places. They whisper the names of their favorite shops and restaurants; they divulge the secret hideaways where they sneak off to for an afternoon (or a weekend) to unwind. Some make you laugh out loud, and others mesmerize you with their poetry and lyricism. Some are intent on educating, while others just want to entertain. Their attitudes are as unique as their personalities, but they are united in one thing ... their love of the region. If you can envision being welcomed at such a party, then you can envision the experience that this guidebook aspires to give you. Within these pages you will find tips for adventuring, eating, shopping, and sightseeing from savvy expatriates, seasoned travelers, and inspired locals. Unlike the typical guidebook, *To Asia With Love* does not offer a comprehensive overview, but instead presents selected recommendations in the form of personal essays and tidbits, each of which is paired with a practical fact file. Discover the benefits of carrying a baseball glove in Laos, go bird watching in the Thai everglades, take a motorbike into the Cardamom Mountains of Cambodia, and immerse yourself in modern art in Vietnam. In addition, one chapter focuses solely on

opportunities for giving back to the countries you visit.

**Breakout** Mark A. Rempel, 2002-07-02 A year after a tragic shooting at Lincoln High, Taylor finds his prayers answered when a dramatic spiritual awakening occurs among the students and begins to spread throughout the country and the world.

**Gold Rush** Jim Richards, 2016-11-07 'Would you own the GOLD or would the GOLD own YOU?' When Jim Richards left home to make his fortune in a gold rush, he had no language skills, no money and no idea. But when he found diamond-filled potholes in the remote rivers of Guyana, his problems really began. Chasing gold and diamond rushes around the world, Richards worked with local miners in some of the maddest, baddest and most dangerous places on earth. His dramatic journey ranges from the piranha-infested rivers of South America to the blazing deserts of Australia, from the world's biggest mining scam in Indonesia to the war-torn jungles of Laos. To find the gold, first Jim had to find himself. He learned to dig deep and discover the resilience and fortitude needed to overcome isolation, disease, equipment disasters and gun-toting criminals to come out on top. Gold Rush is a blood-and-guts treasure hunt - the ultimate adventure story.

**Towards Extinction** William R. Ashcroft, 2024-08-16 A chillingly plausible thriller where natural disasters and human greed collide, threatening the global food chain. When fruit flies ravage European olive groves, the resulting shortage of premium oil opens the door for unscrupulous traders to substitute dangerous industrial-grade alternatives. Diane Benedict, a brilliant scientist at Rainbow Paint (UK) Ltd., is drawn into the conspiracy as she seeks a safe alternative for their coveted eco-friendly paint formula, already compromised by industrial espionage. Meanwhile, in Peru, relentless El Niño and La Niña weather patterns ravage native Jatropha trees, whose seed oil is crucial for biodiesel production. A bacterial blight creates a hazardous waste product that, due to the negligence of engineer Angel Ramirez, is unleashed into the ocean, contaminating the anchoveta fish population, a key source of protein for global food supplies. The result: a potent plant-derived estrogen mimic that slowly unravels humanity's ability to reproduce. Diane's relentless pursuit of the truth uncovers the counterfeiters and the callous individuals behind this escalating threat. But can she expose their crimes and survive their ruthless attempts to silence her before it's too late?

**The Twilight Soi** William John Stapleton, 2013-05-22 The Twilight Soi dwells on the dangers of one of the world's most beautiful and intoxicating cities, Bangkok. It is named after one of Bangkok's more infamous small streets, or sois as they are known. Soi Twilight runs off the main thoroughfare of Surawong in the centre of Bangkok's oldest entertainment district Patpong and is known to travelers around the world. It is here where touts from go-go boy bars such as Ocean boys, Bangkok Boys and Classic Boys hustle for the attention of local and international tourists. The Twilight Soi began in an angry place - over theft and deception. But applying Western, or in the author's case Australian, notions of loyalty, honesty, fairness, decency and an abhorrence of deceit do not apply in a country as profoundly different as Thailand. For historical reasons Australians intensely dislike personal treachery or the betrayal of friendship. Standing on these principles in a city like

Bangkok marks you as a fool. Ultimately being angry both at your own foolhardiness and the actions of others embitters and harms yourself, no one else. This book ends with more understanding than it began. Many of the problems experienced by foreigners in Thailand come from the extreme cultural differences with the West. In Australia a man's word is his honor. A liar is the lowest form of life. In Thailand only a foreigner would be so rude as to point out that the story told in the morning bears little or no resemblance to the story told in the afternoon.

**Migration, Micro-Business and Tourism in Thailand** Alexander Trupp, 2016-12-08 Visitors to Thailand's urban and beach-sided tourist hotspots notice the presence of colourful and predominantly female vendors offering self-made and mass-manufactured products. A high percentage of these vendors are members of the highland ethnic minority group of Akha who have become micro-entrepreneurs or self-employed street vendors. The work and everyday life experiences of these ethnic minority migrants are situated at the intersections of tourism, migration, and the informal sector. This book investigates the social, economic, and political embeddedness of street vendors in urban tourist contexts in Thailand. Based on extensive field research, it presents a detailed analysis of urban-directed mobility patterns and revealing strategies and dilemmas in the urban souvenir business. Focusing on the development of urban ethnic minority souvenir stalls run mostly by people belonging to the highland group of Akha, the author explains the spatial expansion of ethnic businesses and assesses the economic and political obstacles micro-entrepreneurs are confronted with. The book offers an understanding of the everyday practices and social relations of and between unequally powerful actors related to ethnic minority tourism in urban contexts, and systematically integrates individual and collective action into socio-economic and politico-institutional contexts. A significant contribution to migration and ethnic minority studies in the Thai and Asian urban tourism context, the book will be of interest to researchers in the fields of Southeast Asian studies, tourism, migration, and ethnic minority studies.

**Bangkok Boy** Chai Pinit, 2015-01-07 Bangkok Boy is a heart-rending account of a childhood lost to sexual abuse. Chai was a normal boy until he was molested by a school teacher, an event which led him into the hidden world of male prostitution. His story is not only unique but also offers a shocking insight into the red-light districts of Bangkok and Pattaya. As his story unfolds you'll become privy to the distorted logic which Chai used false justification for his horrible life choices for so long. But paradoxically, it was on the streets that Chai found redemption and decided to recount his dark past in order to move on in hope that, by sharing his story, his life would become something of a lesson to anyone. Beneath all the emotional torment and despair, lies a story of redemption and struggle to rebuild one's life. Bangkok Boy is no ordinary book; it is a story of hope and triumph in the face of adversity.

**When Your Heart Says Go** Judy Reeves, 2023-10-10 What sort of mad longing besets a woman—nearing fifty and recently widowed—to sell everything she owns, buy an around-the-world airline ticket, pack a single suitcase, and set off alone on a year-long journey without a plan or agenda? When Your Heart Says Go answers that question. Set in 1990-'91,

Judy's story takes readers from San Diego through eleven European countries, the then-Soviet Union, and finally India, during the lead-up to the first Gulf War. Explorations of foreign locales and interactions with strangers and acquaintances who become a lifeline to friendship are interspersed with occasional flashbacks to Judy's life with her beloved husband, Tom, as well as his illness and death. Descriptions of sites historic and current serve as both daily life and background for Judy's struggle to find her way as a sober, single, independent woman in the vast world as it edges toward the collapse of the Soviet Union and war in the Middle East. The outer journey serves as a container for the inner; the more Judy experiences of the world, the more she learns about herself—and the closer she gets to realizing her lifelong dream of being a writer.
