To Have or To Be? Erich Fromm, 2013-11-05 *To Have Or to Be?* is one of the seminal books of the second half of the 20th century. Nothing less than a manifesto for a new social and psychological revolution to save our threatened planet, this book is a summary of the penetrating thought of Eric Fromm. His thesis is that two modes of existence struggle for the spirit of humankind: the having mode, which concentrates on material possessions, power, and aggression, and is the basis of the universal evils of greed, envy, and violence; and the being mode, which is based on love, the pleasure of sharing, and in productive activity. *To Have Or to Be?* is a brilliant program for socioeconomic change.

The Vertical Sea Brian Freschi, 2022-07-19 From the minds of creators Brian Frechi and Ilaria Urbinati comes The Vertical Sea, a tale of a woman learning to push through her struggles in a world where the pressure seems endless. With a good job as an elementary school teacher and a love for her partner, India's life seems okay at face value. However, with a chronic mental illness that causes her to have panic attacks regularly, each day can be a struggle. With the threat of having her class taken from her, the pressure is building, and India needs to face her problems head on and take action. This wonderful story of perseverance is beautifully and meticulously illustrated by Ilaria Urbinati, and wonderfully written by Brian Freschi, allowing India to be connectable to all audiences.

The Nuptial Mystery Angelo Scola, 2005-05-12 Translated by Michelle K. Borrás The idea of love pervades our society, yet it is nearly impossible to answer the question What is love? especially as we witness the divorce of love from sexuality and of sexuality from procreation. Aware that many people today are skeptical about marriage, Angelo Cardinal Scola nevertheless suggests that only in the category of nuptial mystery do we find a way to adequately describe the phenomenon of love. A bright new leader in the Catholic Church, Cardinal Scola argues that the male-female relationship lies near the heart of what it means to bear the image of God. Scola's book explores the essential sexual differences that both separate and unite men and women, and it shows how men and women can realize their purpose in marriage or celibacy. Conversant with papal teaching and Catholic writers from Aquinas to von Balthasar, Cardinal Scola writes with a deep regard for marriage and the family. His Nuptial Mystery will leave readers with a thoroughly Christian appreciation for incarnate love.
