[MiniEco](#) Kate Lilley, 2013 MiniEco is the sensational craft blog of Kate Lilley. With over 250,000 followers it has taken on cult status in the international craft community, and that is purely down to Kates fresh, contemporary and beautifully explained and executed craft projects. With a book for children already under her belt, this publication focuses more on adults with 33 pieces including paper gems, an origami lampshade, macrame hangings, pop-up pixel cards, hama bead candle holders, and tie-dyed furoshiki cloths. The ideas range in complexity from the simple to the advanced, but each one is totally unique and has never before been published. The look of the book will reflect the immaculate, Japanese-inflected minimalism of the MiniEco website, with some high-end production finishes including a die-cut, dust-jacketed paperback binding and boldly pared-back photography. QR codes will link to animated gifs of the craft being made.

**Poo Bum** Stephanie Blake, 2020-02-04 The little rabbit is loved by his family, even though whenever they ask him a question, he answers very rudely. In the morning his mother would say, 'Time to get up, my little rabbit ' He'd reply: 'Poo bum '. One day the little rabbit meets a hungry wolf. Will he learn his lesson once and for all?

*Listening* Jean-Luc Nancy, 2007 *The Animal That Therefore I Am* is the long-awaited translation of the complete text of Jacques Derrida's ten-hour address to the 1997 Crisy conference entitled *The Autobiographical Animal*, the third of four such colloquia on his work. The book was assembled posthumously on the basis of two published sections, one written and recorded session, and one informal recorded session. The book is at once an affectionate look back over the multiple roles

played by animals in Derrida's work and a profound philosophical investigation and critique of the relegation of animal life that takes place as a result of the distinction-dating from Descartes-between man as thinking animal and every other living species. That starts with the very fact of the line of separation drawn between the human and the millions of other species that are reduced to a single the animal. Derrida finds that distinction, or versions of it, surfacing in thinkers as far apart as Descartes, Kant, Heidegger, Lacan, and Levinas, and he dedicates extended analyses to the question in the work of each of them. The book's autobiographical theme intersects with its philosophical analysis through the figures of looking and nakedness, staged in terms of Derrida's experience when his cat follows him into the bathroom in the morning. In a classic deconstructive reversal, Derrida asks what this animal sees and thinks when it sees this naked man. Yet the experiences of nakedness and shame also lead all the way back into the mythologies of man's dominion over the beasts and trace a history of how man has systematically displaced onto the animal his own failings or biases. *The Animal That Therefore I Am* is at times a militant plea and indictment regarding, especially, the modern industrialized treatment of animals. However, Derrida cannot subscribe to a simplistic version of animal rights that fails to follow through, in all its implications, the questions and definitions of life to which he returned in much of his later work.

**About Love** Josef Pieper,1974

**Love from Boy** Donald Sturrock,2016-06-02 'Dear Mama, I am having a lovely time here. We play football every day here. The beds have no springs . . .' So begins the first letter that a nine-year-old Roald Dahl penned to his mother, Sofie Magdalene, under the watchful eye of his boarding-school headmaster. For most of his life, Roald Dahl would continue to write weekly letters to his mother, chronicling his adventures, frustrations and opinions, from the delights of childhood to the excitements of flying as a World War II fighter pilot and the thrill of meeting top politicians and movie stars during his time as a diplomat and spy in Washington. And, unbeknown to Roald, his mother lovingly kept every single one of them. Sofie was, in many ways, Roald's first reader. It was she who encouraged him to tell stories and nourished his desire to fabricate, exaggerate and entertain. Reading these letters, you can see Roald practicing his craft, developing the dark sense of humour and fantastical imagination that would later produce such timeless tales as *The BFG*, *Matilda*, *Fantastic Mr Fox* and *The Witches*. The letters in *Love from Boy* are littered with jokes and madcap observations; sometimes serious, sometimes tender, and often outrageous. To eavesdrop on a son's letters to his mother is to witness Roald Dahl turning from a boy to a man, and finally becoming a writer.

**Wave** Suzy Lee,2008-04-16 A sunny day, a curious little girl, a playful wave. Step into these deceptively simple pages for a day at the sea - and a joyful story that begins and ends with a wave.

*Flotsam* David Wiesner,2014-11-28 A highly acclaimed, wordless Caldecott Award-winning picture book from the only living three-time winner of the Caldecott Medal: David Wiesner. A bright, science-minded boy goes to the beach equipped to collect and examine flotsam—anything floating that has been washed ashore. Bottles, lost toys, small objects of every description are among his usual finds. But there's no way he could have prepared for one particular discovery: a barnacle-encrusted underwater camera, with its own secrets to share . . . and to keep. 'Beautiful child’s graphic novel... Wiesner keeps his viewpoint strictly childlike, magnifying the mundane until you see his world in a grain of sand.' EVENING STANDARD 'Beautiful' TELEGRAPH 'Wonderfully imaginative . . . The pictures are packed with details and each re-reading provides more

joy' BOOKSELLER 'From arguably the most inventive and cerebral visual storyteller in children's literature comes a wordless invitation . . . not to be resisted' KIRKUS REVIEWS, starred review
